NICOLAS JAAR EN PALESTINE, UN HOMMAGE À LA RÉSISTANCE SOUS UN TONNERRE D'APPLAUDISSEMENTS

Mercredi 27 septembre, le producteur chilien **Nicolas Jaar** s'est produit dans la ville israélienne d'Haïfa, dans un bar palestinien, face à un parterre de 200 privilégiés. Une configuration intimiste et un concert symbolique pour un artiste qui remue les foules du monde entier. *Trax* était là, caché au fond de la salle, pour vivre et vous raconter un événement aussi musical que politique.
